Compact PCB EMI/RFI Filter

Power Dynamics **PF-L2 series** is a compact PCB filter that has a can size of only 45mm x 28mm.

Available Current Rating:
1, 2, 3, 6, 8, & 10A

Voltage Rating:
115/250 VAC

Available with 5 circuit options, the **PF-L2** series will meet all of your compact design requirements.

Applications include test & measurement equipment, household appliances, LED lighting & single phase power supplies.

Crosses to Schaffner FN406 Series

NEW!

IP65 rated EMI/RFI Filter

Power Dynamics HGN-365A series waterproof EMI/RFI filters are made of rugged materials that meet or exceed requirements for wet environments

IP65 Rated available in 1, 2, 4, 6 & 10 Amp current ratings.

Single, dual fuse and medical versions are available.

Some common applications are industrial & environmental peripherals and medical equipment.

Crosses to Schurter 5707 series
