## Pin & Sleeve for Wire Harnesses

Pin & Sleeve wire harness

Power Dynamics is having great success with the Pin & Sleeve plugs/connectors at cable assembly / wire harness assemblers.

**Applications**

These assemblies can be used for many types of OEM applications like PDU's (power distribution), industrial equipment, floor polishers, portable power, portable generators, data centers & stage lighting to name a few.

Please contact your local wire/cable assembly house for potential Pin & Sleeve opportunities.

**Coming Soon**
