Power Dynamics has the industries largest selection of IEC60309 connectors also known as Pin & Sleeve. Our selection now includes UL Listed DC (direct current) rated plugs, connectors, receptacles & inlets

Rating: **30A to 100A**
up to 500V DC

Mating liquid tight adapters are also available.

Applications include:
 Data Centers
 Power Plants
 Server Industry

Crosses to Hubbell

Pin & Sleeve Wire Harnesses

Pin & Sleeve wire harness

Power Dynamics is having great success with the Pin & Sleeve plugs/connectors at cable assembly / wire harness assemblers.

Applications

These assemblies can be used for many types of OEM applications like PDU's (power distribution), industrial equipment, food equipment, portable power & generators, data centers & stage lighting to name a few.

Please contact your local wire/cable assembly house for potential Pin & Sleeve opportunities.
