## .5mm Board to Board Connectors

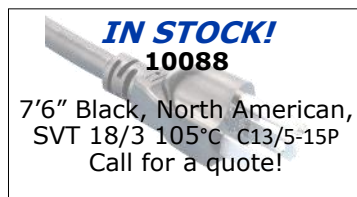

Power Dynamics Ultra-Fine Pitch surface mount Board-to-Board connectors are an excellent choice for small compact board designs.

### Specifications:

**Current Rating:** .5A AC/DC  
**Voltage Rating:** 50V AC/DC  
**Contacts:** 10 to 26  
**Mounting:** Surface Mount  
**Pitch:** .5mm  
**Package:** Tape and Reel

**Applications**  
 Medical  
 Mobile  
 Industrial  
 Instrumentation

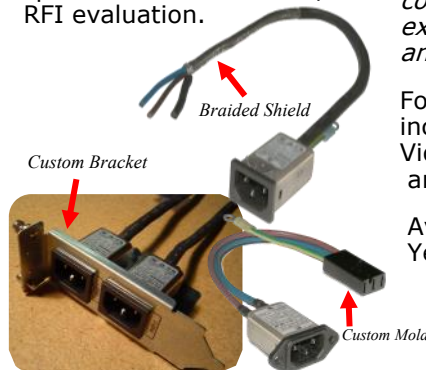

## Custom EMI/RFI Filters

In addition to Power Dynamics extensive standard line of EMI/RFI filters, did you know that we can design and manufacture high quality customs to meet just about any OEM requirement?

From specially molded ends, mounting brackets (see picture below), custom extruded cans, shielded wire harnesses to unique circuit design, Power Dynamics can help solve the most intricate EMI/RFI applications.

Please contact Power Dynamics with your specifications for an EMI/RFI evaluation.

**NEW!**

## Power Cord Lock Insert

Power Dynamics Cord Lock is a unique insert that securely locks the power cord in place to avoid accidental removal. Lock any C14 cord to any PDI C13 PD-43 series IEC connector.

*Power Dynamics Cord Locks are a simple and low cost alternative to expensive locking cords and connectors.*

For use in all applications including Medical, Audio/Video, Security, Industrial, and Telecommunications.

Available in Black, Blue, Yellow, and Red
